Ref: Geography Revision Guides

Dear Parent/Guardian,

We hope that your child has enjoyed the start to their GCSE Geography studies. Although it is still early in the year, we are keen to ensure that our students have every opportunity to reach their full potential and are therefore looking to make revision resources and workbooks available for students to purchase at a reduced cost to support their studies over the next two years. Although we understand some students already have these resources, we have managed to negotiate a deal with the suppliers for those students taking Edexcel B Geography and have yet to purchase these materials.

These revision guides are accredited by the exam board and are designed to complement students' class notes. If purchased privately the cost per resource would be between £3.99 and £8.99 and students would need to purchase a range of these to cover all of the topics included in the GCSE specification. However we are able to make a bulk order from the publisher which will enable us to sell these resources at a reduced price.

The resources and their ISBN identification numbers we would be supplying are available in two packages below, with costs attached. Each package contains resources suitable for students target grades.

<b>Package 1: For students with a Target Grade of 5 or below:</b>	<b>Cost: £11.20</b>
Target Grade 5 Edexcel GCSE Intervention Workbook ISBN: 9780435188993	
Revision Guide ISBN: 9781292133782	
Revision Workbook ISBN: 9781292133768	
Revision Cards ISBN: 9781292182414	

<b>Package 2: For students with a Target Grade of a 6 or above:</b>	<b>Cost: £8.80</b>
Revision Guide ISBN: 9781292133782	
Revision Workbook ISBN: 9781292133768	
Revision Cards ISBN: 9781292182414	

We would very strongly recommend that students purchase these revision guides as they will be instrumental in supporting their studies for the duration of the GCSE course.
