

October 2019

Dear Parent/Carer,

We recommend students purchase a graphical calculator for the duration of their Mathematics A Level at Oakgrove School. A calculator that contains values for the binomial and normal distributions is essential for the Statistics content of the course and the graphical functionality gives students a significant advantage in exams on some Pure Maths topics. It is therefore advisable to purchase one now so that the student has time to become confident with all of its operations.

We recommend the Casio FX-9860Gii Plus which is available from the school at a cost of £59.95.

If you would like to purchase this calculator payment should be made via ParentPay at www.parentpay.com (or via the link on the school's website) this will remove the need to complete and return the reply slip attached.

If it is essential you pay by cash or cheque, you will need to complete the reply slip and return it to Student Services in a sealed envelope along with your payment (cheque made payable to Oakgrove School).

Please note the deadline for all orders and payments is **Thursday 10th October**.

Yours sincerely,

Mr B Gander
Key Stage 5 Maths Coordinator
