We will be asking for a **deposit of £100.00** per student to secure your place on the trip. There are a maximum of 32 places available which will be allocated on a first come first serve basis. ParentPay will be open on Friday 1<sup>st</sup> March for deposits. At this point deposits are refundable, however based on the number of deposits received, we can then confirm a final trip price. Any changes to the £928 price will be emailed to those Parent/Carers who have shown an interest to confirm if this is acceptable. After this point the deposits will be non-refundable and your child will have a secured place on the trip. A full payment plan will then be determined by Kipling Tours for the remaining balance.

Once the trip is established, Oakgrove School will arrange an information meeting to provide an overview of what is involved in terms of the preparation required here in the UK as well as a closer look at the areas we will be visiting. There will also be an open opportunity for all your questions to be answered. We are very excited about the potential that this trip holds for developing a greater and wider awareness of the world and travel for the students.

Payment for this trip should be made via ParentPay at [www.parentpay.com](http://www.parentpay.com) (or via the link on the school's website). At the same time, you will provide your consent and medical information, removing the need to complete and return the reply slip.

If it is essential you pay by cash or cheque, you will need to complete the consent and medical form attached. The information you supplied for your child on the data checking sheet is the information we will use for this trip, so it is essential that you inform us of any changes. We will record the payment in your ParentPay account.

We look forward to seeing you at the information meeting.

Yours sincerely
