### We are a strawberry and nut-free school

**Due to serious allergies amongst our children, we kindly request that strawberries and nuts are not brought into school.**

**We appreciate your support in this matter.**

## Nursery Staff Members

**Hayley Winters**  
Nursery Teacher

**Georgia Tipper**  
Nursery Teaching Assistant

**Katie Wood**  
Nursery Teaching Assistant

**Danielle Garnham**  
Nursery Teaching Assistant

## What your child needs for Nursery at Oakgrove School

- **Uniform** – Blue sweat shirt or cardigan, grey skirt or trousers, white polo shirt and black shoes.
- **Book bag** – We will send home letters and information through the book bag please ensure that your child brings it to school each day. Keyring for recognition
- **A suitable coat for the weather** - the children will spend lots of time outside throughout the year.
- **Wellies** – For outdoor play when wet.
- **Spare clothes** – children in nursery are starting to manage their own toilet timings and this will take some practise. Please include socks and underwear with their clothes. The children are also likely to get messy during their learning and play – this is an important part of your child’s education at this age! A spare clothes bag is welcome to stay on your child’s peg to be returned each half term or when clothes have been used. If your child is still getting the hang of the toilet please provide everything that they will need during their session in Nursery. Please also ensure that staff are aware of the support your child needs.
- **Water Bottle** – Please ensure that your child brings a full water bottle to school each day containing only water.
- **Sun hat/woolly hat and gloves as needed.**
- **Sun cream** – sun cream must be applied at home prior to the start of Nursery.

### **Please name everything your child brings to school!**

Easy use name tags are available for [www.mynametags.com](http://www.mynametags.com) or alternatively a name written in biro.

## Drop Off and Pick Up Times

### All Day Sessions

- Doors open 8.30am and close at 8.45am. Any late comers need to go through reception
- Prompt pick up at 3.30pm from carpet areas. If you are going to be late you will need to inform the school office

### Morning Session

- Doors open 8.30am and close at 8.45am. Any late comers need to go through reception
- Prompt pick up at 11.30am from carpet areas. If you are going to be late you will need to inform the school office

### Afternoon Sessions

- Doors open 12.30pm and close at 12.40pm. Any late comers need to go through reception
- Prompt pick up at 3.30pm from carpet areas. If you are going to be late you will need to inform the school office

## Drop off Routines

To help your child have a positive start to their daily nursery session we ask that you arrive at nursery in time for the doors opening.

- Please come into the classroom with your child and encourage them to hang up their coat and put their book bag and water bottle away
- Please aim for a quick goodbye and handover children to a member of nursery staff
- Children take part in early work activities straight away with the adults in the classroom

Children who arrive after the doors have closed will be walked through to nursery by a member of school staff and handed over to a member of the nursery team.

## Pick Up Routines

Nursery doors will open for parents at the end of the nursery session (11.30am for the morning session and 3.30pm for the all day and afternoon sessions). Please ensure you are on time to collect your child from nursery at the end of their session.

## Changes to Collection Arrangements

For reasons of safety, at the end of the nursery sessions we will only hand your child over to yourselves or another authorised person. Before your child starts in school with us you will be asked to complete a form that details the persons authorised to collect your child from school.

Any other ad hoc changes to this will need to be communicated either via your child's class teacher or by a telephone call to the school office **before 11am** for a morning session collection for **before 2.30pm** for an afternoon session. If we haven't received any notification and an unauthorised person arrives to pick up your child, we will not release your child until we have spoken directly to you.

## Lunch

If your child is attending an all-day session you will need to send them in with a suitable packed lunch. We have children who have severe and life-threatening allergies. **Please DO NOT include: whole eggs, strawberries, peanut butter, chocolate spread, biscuits etc that may contain nuts or strawberries.**

## PE

- The children will take part in PE once a week in the school hall. They will take their shoes and socks off for this session so please help them to be independent by encouraging them to learn how to do this by themselves

## Snack

- A mid-session snack will be available for all children
- Cool Milk to School provide daily milk. We register every child. If you **do not** wish your child to have free milk at school please contact the school office to have them removed from the milk list.
- We have children who have severe and life-threatening allergies. **We will not have any food in nursery that include: whole eggs, strawberries or nuts**

## Communication

In order to help save the environment and reduce printing costs, we send the majority of our correspondence home by email. In order to make the system effective, we need to have an up-to-date email address for you. If your email address changes it is vital that you update the school with your new address.

As well as emails, letters and daily conversations, we will communicate with you via the school website (<https://www.oakgrove.school/primary-and-nursery/>), and newsletters.

Please see the noticeboard outside the Nursery area for sudden changes!

## Twitter

To give parents an insight in to some of the great things that the children get up to in school, we regularly post updates on our school Twitter feed. We invite parents to follow us on Twitter [@OGSPprimary](#)

## Your Child's Learning Journey

Your child's learning journey is a valuable document that tracks their progress and attainment throughout their first year in school. It is extremely important that you contribute to this by sharing achievements and experiences outside of school eg:

- Photos of days out, riding their bike for the first time, cooking, taking part in sport etc
- Weekly weekend 'WOW moments' sheet
- Examples of learning at home

Evidence can be shared by sending examples into school with your child, talking to the staff, jotting down a quick note or by email. Please send your email to:

[Nursery@oakgrove.school](mailto:Nursery@oakgrove.school)

At Oakgrove School the children's learning journey is documented on an online system called 2Build a Profile. At the start of their first term in nursery, parents will receive a registration email from 2Build a Profile. Once you have created an account you will receive regular updates from the school, showing you details of your child's learning observation, often linked with a photo.

## Medical and Illness Information Sheet

If your child is unable to attend school, you should telephone the School Office on 01908 545300 before 9.00 am to notify them of the absence. If your child has shown signs of being unwell, or having a temperature, and you decide to send them into school please let us know - particularly if you have administered any painkillers.

Should your child become ill during the school day or is recorded as having a temperature above 37.5 degrees Celsius, we will telephone you, in the order of the contacts given to the School Office, and ask that your child be collected.

Prescribed medication can be administered in school, if it is required more than 3 times a day. The medication will need to be handed in at the School Office each morning and a form completed. Any long term medication should be left in school and a long term medication form completed at the School Office.

Please note the school policy with regards to the exclusion periods for the following illnesses and infections. These are in place to avoid spread and further infection amongst the other children in school:

- **Sickness and diarrhoea** – children can return to school **48 hours** after the last episode of sickness or diarrhoea.
- **Conjunctivitis** – Children can return to school after starting treatment.
- **Impetigo** – Children can return to school **48 hours** after starting antibiotic treatment or after the lesions have crusted and healed.
- **Ringworm** – Children do not need to be excluded but should be treated.
- **Scarlet Fever** – Children can return **24 hours** after starting antibiotic treatment.
- **Warts and Verrucae** – Verrucae should be covered.
- **Chickenpox** – Children can return to school once they are feeling better and all the spots have crusted over.
- **Headlice** – If you see live headlice please treat your child at home. If they are in school and live lice are seen, you will be contacted and asked to collect your child and treat them at home.
- **Slapped Cheek** – children can be in school as long as they do not have a high temperature and are well enough in themselves.

Please teach, and encourage, your child to wash their hands properly at home to try to avoid the spread of infection!

## Reporting an Absence

If your child is absent for any reason, please leave a message on the absence line by calling 01908 545300, select option 1 for Primary and then 1 for the absence line. Absences without reason have to be followed up and if they are unanswered the absence will be unauthorised.

Please may we ask that you avoid making medical appointments during school hours wherever possible, but if it is absolutely necessary, we would kindly request to see a copy of the appointment letter.

Classroom doors open at 8.30am and registers are taken promptly at 8.45am. If your child arrives after this time, they must report to reception so that their mark can be recorded.

If you have any queries relating to Attendance, please contact the School Administrator, Mrs Porritt.

## Busythings Website

As a school, we subscribe to Busythings as a tool to aid children's learning in Nursery. It covers each of the EYFS areas of learning and had some excellent phonics and maths games. We also have home access to this website and hope that you might be able to make use of the site at home to practise the skills the children are learning in school.

The details of the username and password that you will need to use to access the website are shown here. If you have any questions about this site or the games it contains, please do not hesitate to contact the staff in Nursery.

**Oakgrove School**
