

# Duke Of Edinburgh updates

# Y10s - Bronze

## DofE

- ▶ This September you were due to complete your expeditions
- ▶ Currently this is suspended until the summer term
- ▶ You can still complete the other sections of your award

Changes	Section
You can change your section to something else if you can no longer do what you had planned, the hours you have already done will still count	Physical, skill and/or volunteering
You can volunteer at home e.g. help young sibling with work	Volunteering
You can do more than 1 hour a week e.g. 2 hours every 2 weeks is now ok, but it can't be more than 4 hours at a time	Physical, skill and/or volunteering

## Bronze DofE

- ▶ If you have changed your activity to something new you will need an assessor report for both. I am happy to be an assessor for one of those sections if you provide me with the evidence
- ▶ Family members still can't be an assessor if you volunteer at home, so you will need to have evidence of what you have done to show an assessor
- ▶ If things change and we end up not doing an expedition, the DofE will still allow you to move to silver if you have finished the other 3 sections
- ▶ Make sure you are checking your eDofE account and emails for any corrections you need to make to your evidence
- ▶ Any questions either come and see me or email me.

# Silver DofE

- ▶ If this is something you are interested in I will be going through this in more detail in January.
