

Geography

There is a shared core in all stages of the curriculum	Shared strands across each Key Stage	Its goes beyond the National Curriculum	Equality and diversity
<p>Knowledge and understanding gained through the study of a range of places, from the local area to further afield</p> <p>Connections are made between people and places through their actions</p> <p>Teaching builds on pupils' ability to identify, describe and explain key geographical features</p>	<p>The study of a range of maps develops skills such as compass points and grid referencing</p> <p>Pupils can identify the similarities and differences between places within the UK and beyond</p>	<p>Opportunities to learn outside of the classroom environment</p> <p>Extra-curricular opportunities</p>	<p>The curriculum responds to the changing political and geographical climate</p>

Weekly Guided learning hours: EYFS - , KS1 - 2 (alternate half-terms), KS2 - 1 , KS3 - 2 , KS4 - 3 , KS5 - 5
