

## What Can Go Wrong Statement Cards

You find it difficult to insert the penis	One or both of you finds it uncomfortable or painful
Something interrupts the activity e.g. a phone call or someone walks in on you	You don't have a condom/dam/contraception
One of you changes your mind	Your partner does something sexual that you don't like
There is a little blood	You don't know how to begin
Your partner criticizes you for something	You don't know what you're doing
